

UNIVERSITY OF ILLINOIS EXTENSION

Working Windbreaks November 12, 2009 1:30 and 6:30 pm

Windbreaks have been used for many years to stop cold winter winds, to reduce noise, and for aesthetics. Listen to Extension Educator Dave Shiley discuss how to properly design, plant, and maintain a windbreak for maximum benefits. Tree species, spacing, and weed control will be included in the discussion.

**To register for the program, please contact the
Cass or Schuyler Extension office by November 10**
