## **Purpose:**

The purpose of the Christian County 4-H Foundation shall be to promote, sponsor and foster 4-H work in Christian County, to support various 4-H activities as determined by the board of directors, and to inform donors of the importance and the value of the education and training young people receive in 4-H activities. All money and property received by the corporation shall be used for the benefit of 4-H work.

## **CHALLENGE TO THE COMMUNITY**

A key challenge facing youth programs today is to develop tomorrow's leaders. For many boys and girls, 4-H clubs are a first step toward developing sound leadership responsibilities.

Private enterprise has traditionally invested generously in 4-H programs. This trust in our young people has been repaid many times. While the heart of 4-H is in the local community, the program draws renewed strength from the support of business and industrial firms, foundations, cooperatives, banks and individuals throughout the nation.

The Christian County 4-H Foundation Board is an executive level group of business, educational, and other leaders marshalling funds for the 4-H Foundation. These funds not only enrich 4-H programs for members who take part, they help build trained and experienced future leaders. This investment locally does much to further local interests.

## CHRISTIAN COUNTY 4-H FOUNDATION MEMBERS
