PROJECT GOALS

Throughout the year, add and change goals. What do you want to do and learn *in this project area* during the year? Think about who will help you and when you want to meet these goals. Do not feel that you have to fill in every line. Be specific about what you want to do and learn.

What will I do or learn? (Goal)	Project	Who will help me? (Helper)	When will I do it?	Date I finished it
Example: Complete one activity in project book	Health	My 4-H leader	October	October 6
Example: Bake 8 batches of cookies	Cooking 101	Mom	March	April 4

4-H PROJECT REPORT IN THIS AREA

Project Work Done

Provide a list of items made, animals purchased or sold, etc. Also, list any workshops, tours, etc. that you attended to learn more about this project. If you earned or spent any money in this project, please list that also. Total your expenses and income for each project.

Project Work Done (What you did in this project area – list project.)	Income or Expenses
<i>Examples: Made 6 pans of brownies (4-H Cooking 101) Fed and raised a dairy calf (Dairy I) Toured paper factory on Forestry Tour (Forest 1)</i>	<i>Sold 2 pans of brownies for \$5.00 at bake sale. Feed: \$65, Veterinary Bills: \$75</i>

Knowledge & Skills

What did you learn *in this project area*? Include what you learned from mistakes as well as successes. Include the specific project with the set of skills. *Examples: Learned how to feed and walk a puppy – Dog Care, Learned how to use the oven safely -4-H Cooking 101, Learned how to measure wood before cutting - Woodworking*

Leadership

List any committees you served on or any leadership activities you did *in this project area*. Include the number of people you helped. **Example:** *Taught club member how to fold the flag (1); Helped leader teach workshop on making brownies (6); Brought refreshments for club meeting.*

Community Service & Citizenship

What did you do *in this project area* to help others? **Examples:** *Made snacks for nursing home (60); Helped walk the dogs at the animal shelter*

These are my goals for this project.
