WELCOME!

The DuPage County 4-H Program is pleased that you are interested in learning more about the youth development program of University of Illinois Extension. We understand you are interested in a volunteer role in the 4-H program.

Illinois has a volunteer enrollment system that includes an application form, background check, and reference check. The purpose of this process is to help you know more about 4-H and to help us know more about you. It is a necessary step in providing protection for youth and volunteers associated with the Extension program. Therefore, all volunteers and staff working in youth programs of University of Illinois Extension are required to complete the **Extension Volunteer Application, CANTS Authorization for Background Check, and Criminal Background Check Authorization** forms. We believe that implementing this procedure makes a public statement of our dedication to the well-being of youth and increases the probability of a continued positive image for 4-H. Please complete the enclosed forms and return them as soon as possible to:

Attn: Volunteer Coordinator
University of Illinois Extension
DuPage County Unit Office
1100 E Warrenville RD – Suite 170
Naperville, IL 60563

After your completed forms arrive in the Extension Unit Office, we will begin the screening process. New volunteers placed in the 4-H program receive orientation and follow up training as needed.

Thank you and we look forward to working with you.

Sincerely,

Christine Birns
4-H Coordinator
