

NATURAL RESOURCES AND ENVIRONMENT DIVISION

Natural Resources and Environment Rules and Regulations

1. In order to exhibit in the Natural Resources Division, 4-H members must be enrolled in:
Natural Resources I
Natural Resources II
Natural Resources III
Earth Trek: Soil Conservation
Sportsfishing I
Sportsfishing II
Sportsfishing III
Wildlife I
Wildlife II
2. See General Projects Guidelines
3. Live animals are not permitted in these displays.
4. Live birds intended to show in the poultry show must be enrolled in the poultry project area. Reptiles, fish and other wildlife animals intended to show in the small pets show must be enrolled in the small pets project area.
5. Project displays need to be appropriately sized for the topic. 4-H members should make every attempt to keep table-top displays within the 2 feet X 15 inches size limit and poster displays need to be no larger than 22x30 inches.

Class 01- Natural Resources I

Exhibit any item developed from the project book.

Class 02- Natural Resources II

Exhibit any item developed from the project book.

Class 03- Natural Resources III

Exhibit any item developed from the project book.

Class 04- Earth Trek: Soil Conservation

Exhibit any item developed from the project book. Not Eligible for State Fair.

Class 05- Wildlife I

Exhibit any item developed from the project book.

Class 06- Wildlife II

Exhibit any item developed from the project book.

NATURAL RESOURCES DIVISION (cont.)

Class 07- Sportsfishing I

Exhibit a product or display made to complete the activities in the project manual. This could include, but is not limited to, displays on: different types of fishing tackle, identifying different baits and their uses (no actual bait, please) or identifying the anatomy of a fish. For safety reasons, lures must be place in a hard plastic case.

Class 08- Sportsfishing II

Exhibit a product or display made to complete the activities in the project manual. This could include, but is not limited to, displays on: different types of knots or rigs and their use, a collection of fishing lures labeled with their use, or information on preparing and cooking fish (not recipes). For safety reasons, lures must be place in a hard plastic case.

Class 09- Sportsfishing III

Exhibit a product or display made to complete the activities in the project manual. This could include, but is not limited to, displays on: making artificial flies and lures, researching effects of water temperature, sportsfishing careers, or identifying insects that fish eat. For safety reasons, lures must be place in a hard plastic case.

Class 10- Outdoor Adventures I

Exhibit a display illustrating an activity completed in the project manual.

Class 11- Outdoor Adventures II

Exhibit a display illustrating an activity completed in the project manual.

Class 12- Outdoor Adventures III

Exhibit a display illustrating an activity completed in the project manual.
