

HOW TO COMPLETE THE 4-H SHOW ENTRY SHEETS

BEFORE YOU FILL OUT THE Fair Registration Form, READ AND FOLLOW ALL INSTRUCTIONS.

1. After April 1, you will receive a printed Henry County Fair Registration Form with your name, club, and the projects you have enrolled in on it. Leaders will pick them up to distribute to club members.
2. Please read your 4-H Show book carefully. It contains all the information you will need to prepare your projects for the fair. You may only enter classes for the projects you are properly enrolled in. There are limits on the entries in Division I. Please read and understand the rules before you make your entries.
3. Please use a ruler to help you follow the lines across the page. The lines do not match up exactly with the class. The lines are particularly hard to follow in the livestock area, visual arts, and foods. Please mark a **number** in the following categories: vegetable plate, visual arts, and livestock, where more than one entry can be made in a class, to show the number of items you plan to show in that category.
4. **Please make your entries in ink.** White out any errors before you make corrections.
5. After you have completed your registration form, return it to the **Henry-Stark Extension Unit, BHE Bldg. 4, 26234 Black Hawk Rd., Galva, IL 61434** (your leader may ask you to return it to them and that is ok) by **May 15, 4:30 p.m. or have it postmarked by May 15.**

NO PHONE CALLS TO MAKE ENTRIES WILL BE ACCEPTED!
NO PREMIUMS GIVEN FOR LATE ENTRIES.
