

AEROSPACE – (See Jr. Fair Department Q-2) – Members must be enrolled in an Aerospace project in order to exhibit in any of these classes. **Choose ONLY one (1) class to exhibit in.**

See General Rule #16 regarding size restrictions. Rockets or model aircraft can be no larger than 3' x 3' when placed upright.

* **Model Rocketry** – one model rocket assembled by the member. The exhibit will be a static display. The model rocket should be in good flying condition. Attach the printed directions for the construction of the rocket. Do not include rocket engine with your exhibit.

* **Aerospace Display** – Any exhibit related to aerospace that does not fit into the other class. This may be experimental or educational poster or display. Include an explanation for public understanding.

* **CLOVER CHALLENGE: Aerospace** – Exhibit a display illustrating the Clover Challenge area explored. See General Rule #17 regarding Clover Challenge requirements. **The completed Illinois 4-H Clover Challenge Agreement must be presented with the exhibit.**
