

2009-2010 Jefferson County 4-H Project Selections

Participant's Name _____ Group's Name _____

Leader's Signature (required) _____

IMPORTANT ? ? ? ? I have enrolled in _____ projects this year (as noted below.)

Select projects below by clearly marking the box to the left of the project name. If you need the project manual, completely fill in the circle. If there is not a circle, there is not a project manual available. Any project that the circle is already filled in (■) is a new project for the year and a manual is automatically ordered and you will be charged for that manual. To the right of each project is the cost to order the project manual. See the *Illinois Clover* for details. **Your 4-H Club will be charged for each project manual that you order. You will be expected to reimburse your 4-H Club for your project manuals.** To avoid excessive costs, share project manuals whenever possible. Premiums for County Projects may or may not be offered, depending on the funds available.
