Participant's Name _____ Group's Name _____

I have enrolled in _____ projects on this form (as noted below.)

I have reviewed my child's project selection(s) and agree to pay for any publication(s) ordered.

Parent Signature

Select projects below by clearly marking the box to the far left of the project name. If you need the project manual clearly mark the circle. (The circle only appears if project manuals accompany project enrollment.) See the *Illinois Clover* for details. **If the symbol ☒ replaces the circle, the member manual is new this year and should be ordered even if the member has the old project manual.** *New projects for 2009-10 are italicized.*

In project areas that have multiple levels, choose ONLY the level that best fits your age and/or project abilities. For example, if you enroll in Aerospace II, you may not also enroll in Aerospace III and IV.
