### MARKET HOG SHOW - BARROWS

1. Read General Rules and Regulations for 4-H Livestock (see p. 48 - 50).
2. Barrows only are eligible for the 4-H barrow classes. Each exhibitor will be required to produce registration papers on animals shown in registered classes.
3. All barrows must have been owned by June 1, 2009.
4. All breeds will show in their respective classes regardless of the number in the class.
5. Each exhibitor will be limited to six barrows weighed and six barrows shown, but a maximum of 4 barrows per breed (crossbred counts as a breed).
6. All **barrows** will be **weighed** Tuesday, **August 4 between 1:30 and 3:00 p.m.** In order to show, all barrows must weigh at least 160 pounds as a minimum and a maximum of 285 pounds except for class X-164 barrows. Barrows weighing 286 lbs. and over are eligible to show in class X-164 only, and are not eligible for championship classes. Purebred barrows will be divided into three weight classes by superintendent and weighmaster after "weigh-in" is completed
7. Barrows weighing less than 160 pounds or more than 285 pounds are ineligible to be shown in the single barrow classes. Absolutely NO scale weight breaks will be given. Barrows weighing under 160 pounds or over 285 pounds will have one chance to reweigh. Reweigh procedures are as follows: 1. The request to reweigh must be made immediately as the animal leaves the scale. 2. Barrow must not leave the scale area. 3. Barrow must reweigh within 15 minutes of original weigh time. 4. The second weight will be official weight. Barrows weighing more than 285 pounds will show Super Heavy Class.
8. Each exhibitor may weigh six(6) barrows at "official weigh-in", with a four per breed maximum. Weight requirements will be strictly enforced.
9. Grade or crossbred barrows will be considered as a breed and be subject to all rules above.
10. Each entrant must submit to the county Extension office, ear notches for all barrows, certifying that these barrows are owned by the exhibitor, have been a 4-H project since June 1, 2009, and were farrowed on or after January 15, 2009. If ear notches are not received in the office by June 1<sup>st</sup>, the exhibitor will not be eligible to show. June 1<sup>st</sup> all possible ear notches are due.
11. All barrows must be owned as BARROWS by exhibitor by June 1, 2009.
12. Health papers will be checked in Show Pavilion on Tuesday, August 4, from 2-3:30 p.m. (see swine health regulations in white pages at back of showbook)

13. **Barrow registration papers will be checked at weigh-in. NO FAXES WILL BE ACCEPTED. Registration papers must be in 4-H'ers name only. Joint ownership will NOT be accepted.**
15. Grand Champion will be chosen from breed winners and Champion Crossbred. Reserve Grand Champion will be selected from remaining class with the reserve in class to the Grand Champion brought in. A Champion and Reserve Champion Purebred will be selected, if not selected in Grand Champion Drive.
