

4-H ACTIVITY SCHOLARSHIP

Sponsored by Marshall-Putnam 4-H Federation

From funds raised at 4-H events such as the 4-H Food Stand, Silent Auction, Pie Auction, Plant Auction

The purpose of the Activity Scholarships are to encourage and support 4-H involvement beyond the county level. Any active Marshall-Putnam 4-Her is eligible to apply for a scholarship.

Scholarships are reimbursements after the 4-Her has successfully participated in the 4-H event. Reimbursement amounts will be decided on an individual basis by the Federation, for up to half of the event registration cost. The 4-H Activity Scholarships will not cover extra expenses (not included with registration fee) such as meals, t-shirts, travel, and hotel. The extra expenses will be taken into consideration when deciding on the reimbursement amount.

Please complete the following information and return it to the Marshall-Putnam Extension office.

Name _____
