

Welcome to the 2009 McLean County Fair & 4-H Show

The McLean County Fair & 4-H Show serves as a showcase for the exhibits of 4-Hers and youth of McLean County. A long-standing tradition, the McLean County Fair's success has developed due to the cooperation between the 4-Hers and their families, 4-H volunteers, Extension Council & Staff, McLean County Farm Bureau, the Fair Board, and the 4-H Show Committee.

We welcome each of you to our fair at the Interstate Center! Our best wishes and thanks to you, the exhibitors and visitors of the 2009 McLean County Fair & 4-H Show. We hope you enjoy the week!

Dianne Feasley Gordon Ropp
Rose Harms Ed Tanton

We appreciate the continued support of 4-H and Extension in our efforts to maintain local and state funding support. Our new 4-H Club Challenge grants from clubs as well as gifts to 4-H allow us to continue our strong program.

Trophies, plaques and other awards given at the McLean County 4-H Fair are made possible by the generous donations of individuals and businesses in our community. We would like to thank all of our sponsors. For information about becoming a sponsor, please contact the McLean County Extension office at the address above.

University of Illinois Extension provides equal opportunities
in programs and employment.
