

4-H School Enrichment Programs

University of Illinois Extension, McLean County

Bank @ School & Cool Cash Adventure

Fifth grade students use these two companion programs to learn the fundamentals of money management and to apply this knowledge in the operation of an in-school bank.

Recommended Grade Levels: 5th and 6th grade

Appropriate length: 4 – 6 weeks

Youth Objectives:

Youth will learn to appreciate the value of saving, the process for basic personal banking business and the operation of a bank. They will make many decisions and choices as they are challenged to handle money in a responsible manner.

Cost: None

Teacher's responsibilities:

Teachers will utilize the printed materials provided to assist the students in comprehending and completing the program.

4-H is a youth development program of the University of Illinois Extension.

It is a non-formal education program for youth between the ages of 8 and 19. 4-H projects are offered to youth through community clubs, project clubs, and special interest groups, as enrichment to school curricula, and in the 4-H Afterschool program.

University of Illinois Extension provides equal opportunities in programs and employment.
