

4-H School Enrichment Programs

University of Illinois Extension, McLean County

Exploring Planet Pizza Pondering Pizza

These two kits are complementary and work well together. They explain where this favorite food comes from, and the process of making pizza.

Recommended Grade Levels: 3rd through 10th grade

Appropriate length: 4 – 8 weeks

Youth Objectives:

Youth will explore the many crops needed to make a pizza. Hands-on activities, garden plans and recipes for making great pizza.

Cost: None

Teacher's responsibilities:

Teachers will need to review books and return all titles in a timely manner.

Curriculum and training is available through University of Illinois Extension. Some programming may have additional costs incurred.

4-H is a youth development program of the University of Illinois Extension.

It is a non-formal education program for youth between the ages of 8 and 19. 4-H projects are offered to youth through community clubs, project clubs, and special interest groups, as enrichment to school curricula, and in the 4-H Afterschool program.

University of Illinois Extension provides equal opportunities in programs and employment.
