

## 4-H School Enrichment Programs

University of Illinois Extension, McLean County

# Agriculture in Literature

---

**This kit contains both fiction and non-fiction books that have a basis in agriculture.**

**The fifty-eight titles and 2 videos are continually updated.**

**Recommended Grade Levels: K through 5<sup>th</sup> grade**

**Appropriate length: 4 – 8 weeks**

**Youth Objectives:**

**Youth will have the opportunity to read a variety of fiction and non-fiction books dealing with agriculture, including classics like Charlotte's Web. The books explore current as well as historic aspects of agriculture, including real life stories of farm children. Many titles are suitable to be read to young elementary children.**

**Cost: None**

**Teacher's responsibilities:**

**Teachers will need to review books and return all titles in a timely manner. Three identical kits are available for use in schools, summer library programs and reading clubs.**

**For more information, contact:**

**4-H is a youth development program of the University of Illinois Extension.**

It is a non-formal education program for youth between the ages of 8 and 19. 4-H projects are offered to youth through community clubs, project clubs, and special interest groups, as enrichment to school curricula, and in the 4-H Afterschool program.

*University of Illinois Extension provides equal opportunities in programs and employment.*
