

4-H Organizational Leader Resources

People Resources:

Become familiar with our local Extension Office and who does what.

General Tips:

- ✓ Attend Volunteer Updates sponsored by the Extension office. This is a great way to receive training and also start networking. The leaders in our county are very happy to help others.
- ✓ Talk to Superintendents and other participants at the county and state fairs. They are great resources, especially in project areas.
- ✓ Attend regional and state volunteer workshops when available.
- ✓ Attend the annual North Central Volunteer Forum usually held in October. Learn from people in a 10 state region and network.
- ✓ Ask friends and neighbors, especially when you have a specific project area you want to learn about.
