

My 4-H Project Record

Environment & Natural Resources

McLean County

Name: _____

4-H Year: _____

4-H Club: _____

4-H Age: _____

Please circle the project(s) you are taking:

- | | | | | |
|-------------------|---------------|----------|---------|------------|
| Camping | Entomology | Forestry | Geology | Geospatial |
| Natural Resources | Sportsfishing | Wildlife | | |

Goals: *What do I want to do?*

Examples of Goals:

- | | |
|--|---|
| <input type="checkbox"/> Learn a new skill | <input type="checkbox"/> Complete a project |
| <input type="checkbox"/> Learn about conservation | <input type="checkbox"/> Take a project to the fair |
| <input type="checkbox"/> Learn about trees | <input type="checkbox"/> Explore careers in project |
| <input type="checkbox"/> Learn to identify insects | <input type="checkbox"/> Talk to someone who works in this field |
| <input type="checkbox"/> Talk or demonstration | <input type="checkbox"/> Learn how project area issues affect the world |

Add your own goals:

What did I do in Environment & Natural Resources?

Size & Growth

List how many items you have in a collection or items purchased etc. Examples: 4 butterflies; 6 moths; 12 leaves from Illinois trees; camped 4 times with family.

What did I learn?

Knowledge & Skills: List what you learned this year related to your project area. Examples: learned how to properly identify, and display rocks/insects; learned safe camping practices.

I learned to:

What did I learn? (Continued)

Knowledge & Skills: List challenges you encountered, memories you made, and what you learned from them for future 4-H story ideas.

My memories: Example memories: freezing insects is not as easy as using other methods; can identify over 12 species of Illinois prairie plants.

Participation in Environment & Natural Resources

List participation related to your project area(s). Examples: toured nature center, attended workshop on insects, member of forestry judging team.

Leadership in Environment & Natural Resources

List activities in this project area only, where you led others; include the number of people you led. Examples: gave talk at Earth Day celebration to pre-schoolers (30); led demonstration for how to figure the value of tree at club meeting; taught workshop on sportsfishing.

Community Service in Environment & Natural Resources

List activities that you participated in and where you helped others in your project area(s). Example: helped with trash in wildlife habitat; helped clean up campgrounds before and after camping season.
