

Interior Design

Interior Design Rules and Regulations

1. In order to exhibit in the Home Furnishings division, 4-H members must be Enrolled in: **Interior Design-Design Decisions**
2. See General Project Guidelines.
3. County may submit 2 State Fair Entries.

Class 01 –Design Decisions – (Beginning)

Recommended for members with 1-3 years in the project. Entry can be from any one of the following groupings:

Wall Treatment – Poster showing the application of a decorative treatment for a wall (stenciling, rag rolling, etc.) used by the exhibitor. Treatment should cover at least half the board. Remaining area should include before/after photos, a picture story of the application, cost comparison, etc.

Or three dimensional surface accessory that will set on a table, dresser, or floor. Item must be made by the exhibitor. Include before and after photos of the space where the item is used in the room.

Or recycled item (significantly altered) by the exhibitor. Include before and after photos of the recycled item and where it is used in the room.

Wall Hanging – (2 or 3 dimensional) made by the exhibitor. Include before and after photos of the space where the item is used in the room.

Class 02 – Design Decisions (Intermediate) –

Recommended for members with 3-5 years in the project. Entry can be made from any one of the following groupings.

Comparison shopping study of at least 2 items showing wants and needs, costs, use in overall design plan, quality comparison, etc. and final selection made. May be displayed via poster board or notebook.

Bedcover- May be a quilt, comforter, bedspread, dust ruffle, pillow sham, canopy, etc. made by the exhibitor. Include before and after photos of the space where the item is used in the room.

Window Treatment – May include curtains, draperies, shades, shutters, etc. made by the exhibitor. Include before and after photos of the space where the item is being used in the room.

Class 03 -Design Decisions (Advanced) –

Recommended for members with over 5 years in the project). Entry can be made from any one of the following groupings.

Select a problem such storage, unusual or odd-sized window, need for better lighting, privacy, or an invention or idea that solves an energy or water problem. Show the steps used to solve the problem and the final product. Use pictures, samples, drawings, etc to tell the story. Display in a notebook or on poster board. If an item was made by the exhibitor to solve the problem, include that item in the display. Include before and after photos in display. Displays illustrating a general “redecorating” of a room are NOT appropriate for this exhibit.

Or Exhibit one item of refinished furniture. Include before and after color photos of the item. Photo should be mounted. Include a description of the steps taken to refinish the item.
